The Oasis 3600 Series combines dependable preset -20 cmH₂O vacuum control with state-of-the-art dry suction regulation. By including pre-packaged sterile water to fill the water seal, along with knock-over protection, the Oasis dry suction water seal chest drain offers fast set-up and is easy-to-use. The full-view graduated water seal makes air leak detection fast and easy to track.
ATRIUM OASIS
Dry Suction Water Seal Chest Drain
